*EMPRESS VI MR. LINDEE LEE STAR*

As my year as your Empress draws to a close I have searched my soul for what to say to you. I beleive the only honest thing to do is to speak from my heart. I owe you that as I have asked you all for so much patience and understanding this year.

Every Empress has a message, min was and is that we as drag artists, are part of an art form that should be applauded, respected, and preserved as unique to our community and culture.

My riegn as Empress has been an incredible experience for me, therefore many thanks are due.

To Kevin wha always saw me and treated me as Ross, no matter what the circumstances.

To Edmonton and my court for providing me this opportunity to present my combination of one half drag, and one half not and to clearly show the difference.

To Calgary and the people there who have treated me so well and supported us so lovingly.

And finally to Daryl for his love and support.

Love and stuff;

I remain, H.M.I.M.

EMPEROR VI DARYL

Welcome to our beautiful city of Edmonton;

Being born and raised in this city allows me to sit back and be proud that we as gay people have grown to be prosperous and accepted as equals.

If you are from out of town, I'm sure you were amazed as you flew in, that the great white north does live up to its name. Enjoy your stay and check out the men and women.

The last year has not been a picnic, but the ups far out weigh the downs. The Pices raid and subsequent trials will forever remain in our minds, but it did not send us back into our closets. We have seen all organizations and clubs boom.

This year has made Calgary and Edmonton inseperable. Thanks Calgary.

I would like to take this time to thank the clubs and my friends for their support and congratulate the court on another year well done.

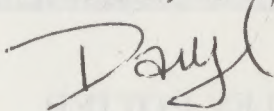

Duane; words alone cannot express my heartfelt gratitude that i owe you. You got us going and stayed with us. Here's to you girlfriend.

Star; well just about everone thought we were flumping, I guess that sums up how deepley I do love you. To bad you are blonde.

And finally to all here tonight;

Thank You.

I remain, H.M.I.M.

AND LASTLY EVERYBODY WHO VOTED FOREST

Welcome to everyone whoever you may be?

This evening marks our sixth coronation ball and crowning of our seventh Emperor and Empress. This year is going to be one hell of a party so party along with us. Don't be affraid to speak up and let yourself be known.

The past year has been very confusing for the court as we started our year off on one leg but managed to get through that period now able to plant both feet firmly, and having booth legs working together.

Our functions this year were few but very rewarding as people supported those events. Many thanks go out to those people . A special thanks to Barri, Marty, Flo, Mork, Billy, Michelle, Rena, Glenda, Marilyn, Sabrina, Tiggy, Lola, Bobby, Stephanie, Vance, Clint, Rollie, Linda and Joyce Goldstein from Calgary, as they made our year more pleasurable than we thought possible.

There are so many people from Edmonton to thank but we don't have enough paper to do that so just thanks Edmonton.

A special thanks goes out to the man who made the elegance and grace of H.M.I.M. Lindee Star come alive, Raffael Briatico.

Please enjoy yourselves this weekend, and let us know if there is anything we can do to make it as good for you as it will be for us.
